

Scholarship Information

On behalf of The Ventura Buccaneer Board, allow me to extend a welcome to you and your family to the 2009 Buccaneer Football Season. Our Sponsors are one of the many components that assist us in ensuring a successful season. Their contributions allow us to give scholarships to boys & girls that may not have had the opportunity to play football or cheerlead. These contributions are a blessing considering our economic times and I am pleased that we may be able to assist you with a partial scholarship. Unfortunately, not every person wanting assistance may receive a scholarship, depending on the number of people applying. While our heart is to provide everyone assistance, our funds may determine otherwise. Below are the items that must be completed in order for your child to be considered for a scholarship.

1) PARENT LETTER

We are asking that you write a letter explaining your situation as to why a scholarship is necessary for you child. You may send this in an email to jduran@wwdb.org . You may give as much detail as you would like.

Upon acceptance

2) CHILD LETTER

We are asking that your child hand-write a thank you letter to the Buccaneer Organization. The letter should include but not limited to, your child's name, age, division, years involved in youth sports, attending school, hobbies, goals for the season, goals for school year, and goals for the future. It should also include something about your family and why your child wanted to be involved in the Buccaneer Program. This letter should be a minimum of one 8.5 X 11 inch white lined paper.

Upon completion of your thank you letter, please email it with a picture of your child to: jduran@wwdb.org. If you do not have email capabilities, feel free to mail your letter and photo to: Jim Duran, PO Box 3622 Ventura, CA 93006. Please complete this by May 30, 2010.

Along with the letter, we are requiring that you volunteer time before the season begins in correlation to the amount of money received for your child. Based on the money received, you will be required to work when we issue equipment, our next sign up day, carwash and fundraising opportunities.

If you have any questions, please do not hesitate to give me a call at 805-302-7711. All of us on the Buccaneer Board are looking forward to a great season together.

Sincerely,

Jim Duran
